

My Personal Healing

Declarations

Pastor David Stroup III

1. I don't believe in sickness.
2. I may feel sick but I know I am healed.
3. I doubt sickness.
4. I believe in healing.
5. Symptoms are facts but healing is truth.
6. I am well in my soul and in my body.
7. As my soul prospers, my body reaps the benefits of health and wellness.
8. My faith is in Jesus as the One who healed me in every area of my life.
9. Since Jesus paid for healing and healing is a gift of the Spirit, I don't have to beg or fight for it, I just receive it by way of faith.
10. I reject sickness and I accept healing.
11. Sickness is a result of the curse but I am now in the blessing through Jesus. Therefore, sickness can't reign over me.
12. I'm coming up with a good case of healing.
13. Healing belongs to me more than my own name does.
14. My faith proves that I am healthy and healed.
15. I agree with Jesus concerning healing - it is God's will.
16. I make the decision to forgive so that God can continue to give me His best.
17. I believe that I heal up quicker than normal.
18. Jesus applied healing to my life over 2,000 years ago. I take what Jesus did then and apply it to my now.
19. I walk in the cure not the curse.
20. Right now I am healed.
21. Healing is contagious in my life and in my Church.
22. Jesus was never sick and He always healed others, therefore, "as He is, so am I in this world."
